Volunteers needed for school holiday programmes

What are you doing these school holidays?

Holidays are all about fun! However we need some fun, enthusiastic people who can assist on our very busy school holiday programmes at YMCA Auckland. Ideal volunteers will have an interest in a career within the childcare, education or recreation industry and will need to:

- *Be 16 years or older*
- *Enjoy working with children, are patient and have a great sense of humour*
- *Be reliable and honest*
- *Have excellent communication skills*

Please be aware that as the YMCA is a child safe organisation, reference and police checks are completed upon application.
