

Holiday Programmes

Info Tech

28 September
10:30am - 12:30pm

FROM BANK HEISTS TO AI HEROES

A hands-on workshop that takes on two real-world challenges – becoming a cyber detective and becoming an AI expert by building your own model that recognises New Zealand Sign Language (NZSL).

Info Tech

28 September
1:30pm - 3:30pm

TRANSLATOR MOBILE APP

Take your first steps into mobile app development by creating a translator phone app with some amazing tool and technologies.

Art + Design

2 October
10am - 2pm

CUT, RIP + PRINT RISO

Come along for a fun, hands-on collage poster printing session where you'll get to experiment with the vibrant, layered world of risograph printing. No experience needed - just curiosity and a love of making things.

Jewellery

28 September
10am - 2pm

METAL PENDANT

Try contemporary jewellery-making at Whitecliffe. Design and make your own metal pendant using sawing, drilling and filing in a hands-on studio workshop.

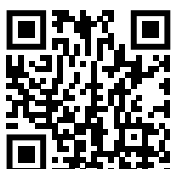

Fashion

2 October
10am - 3pm

UPCYCLED TOTE/PATCH

In this hands-on workshop, you'll learn to use a sewing machine and craft your own fashion accessory, either a tote bag or a custom patch, using scrap materials and pre-loved garments.

Location: Auckland Campus • 67 Symonds Street

Spaces are limited • Open to year 12, 13 students + school leavers
0800 800 300 • admissions@whitecliffe.ac.nz • whitecliffe.ac.nz
